ALERT: #250 DATE: July 22, 2011 **TO:** Incline Village & Crystal Bay Property Owners **FROM:** Village League Tax Revolt Committee

Dear Incline Village & Crystal Bay Property Taxpayers,

The Washoe County Commissioners have scheduled a hearing on July 26 as was expected. However, it is not a public hearing, no specific time is set for the discussion of the Incline Tax situation and it is the last item on the Agenda, which states that the following will take place:

“Discussion and possible direction to staff on Incline Village/Crystal Bay property tax case, including, but not limited to: available legal remedies; alternatives for sources of refund payments; and, coordination with other local governments and districts who receive property tax distributions.”.

The Board members of the Village League and Attorney Suellen Fulstone will be attending and you are all invited to attend as well, but we wanted you to be aware of the circumstances. It might be a very long day, with minimal input from the public.

Of course, we will issue an Alert immediately following the hearing to share any and all developments with everyone.

Lots of News Articles about Settlement Both the Bonanza and the Reno Gazette Journal have published multiple articles about how Washoe County proposes to repay the overpayment of our taxes plus interest.

The good news is that it looks like the county in one form or another is finding the monies. The final agreement on how and when this is to be accomplished must be approved by the Washoe County Commissioners. As soon as this information becomes available we will let you all know.

Sincerely,

Maryanne Ingemanson
