**Dear Incline Village & Crystal Bay Property Taxpayers,**

The Village League would like for you to participate by clicking on the following link and follow instructions to vote and comment

[www.FreedomWatch.uservice.com](http://www.FreedomWatch.uservice.com)

In the search box enter: **illegal property taxes in Nevada**

Click on number 3 in the gray voting box. Your vote will now be recorded.

Then enter your email address, your name, a password and a comment if you so desire. Below are some suggested comments that you might use or you can create your own.

In your email box, you will receive a message asking to validate your email address. Just click on the link in that email message to post your comment.

Our goal is to obtain as many comments and votes as we possibly can to bring attention to our efforts to obtain refunds of our illegally collected property taxes. Let's see how quickly that we can reach 1000 votes. That should get media attention.

**Suggested Comments:** Following are several comments that you can copy and paste or edit into your own comment when you cast your 3 votes on **"illegal property taxes in Nevada"**.

- After 3 Nevada Supreme Court Rulings over an 8 year period, Washoe County and the State still refuse to refund property taxes that were illegally collected.
- The State of Nevada allowed local assessors to illegally over assess property

taxes. The County Treasurer has refused to provide refunds, even after multiple court orders.

- We have been fighting our local government for over 8 years on illegally collected property taxes and still they refuse to return the overpaid property taxes as ruled by the Nevada Supreme Court and District Courts.

Thank you for your support in this effort. We need to keep up the pressure by raising our property tax revolt to the national level.

Sincerely,

***Maryanne Ingemanson***
