

ANOTHER SUPREME COURT VICTORY

ALERT: #261 DATE: August 12, 2012 **TO:** Incline Village & Crystal Bay Property Owners **FROM:** Village League Tax Revolt Committee

Dear Incline Village & Crystal Bay Property Taxpayers,

Unbeknownst to many property owners in Incline Village and Crystal Bay, on October 22, 2010 Washoe County District Attorney, Dick Gammick, filed an Appeal to the Nevada Supreme Court in an attempt to overthrow a previous ruling, won by the Village League, which ordered the payment of refunds to all 9,000 IV/CB residential parcel owners.

Our amazing attorney, Suellen Fulstone, was noticed last Thursday that the Supreme Court Justices unanimously ruled in our favor. There is now no question remaining that the refunds of \$43,000,000 for 2006 and subsequent tax years **MUST** be paid. Had she not been victorious, after this nearly seven year battle, the County could have proceeded to attempt to stop payment on any future refunds and recall the monies that have already been distributed!!!

The Supreme Court has now unanimously ruled in our favor in six separate cases.

TAX REFUNDS

Many of you are concerned that you have not yet received your refunds. The county is processing 500 to 600 refunds a month and plans to complete all payments by August 2013, as mandated by District Court Judge Adams. No list is available indicating in which order the refunds will be paid.

In July the County began paying the interest portion of refunds again and will be catching up on previously withheld interest payments in the near future.

THE BATTLE CONTINUES

As we have mentioned in prior Alerts, the Village League is continuing to press forward on all legal fronts to assure that Justice is served. The very first case that we filed, "...for the 2003 tax year and each subsequent tax year", is still being pursued and a hearing before the State Board of Equalization will be held in the very near future. Please watch your Alerts for the time and place as we will be asking for your attendance once again. **IT IS IMPORTANT.** Notice is taken when we show solidarity by appearing. In fact, the current Supreme Court Order stated:

3. Multiple taxpayers attended the hearing "in support of. . . Fulstone and her actions," and several briefly spoke in support of continuing the hearing. It is unclear from the record how many taxpayers attended the hearing, although the State Board commented that there were "a lot of people" in attendance.

We are hoping that this ten year effort will soon be successfully coming to a close. Our sincere thanks to all of you who have given us your moral and financial support without which we could never have prevailed.

Stay tuned...

Sincerely,

Maryanne Ingemanson, President Village League to Save Incline Assets, Inc. www.NevadaPropertyTaxRevolt.org
